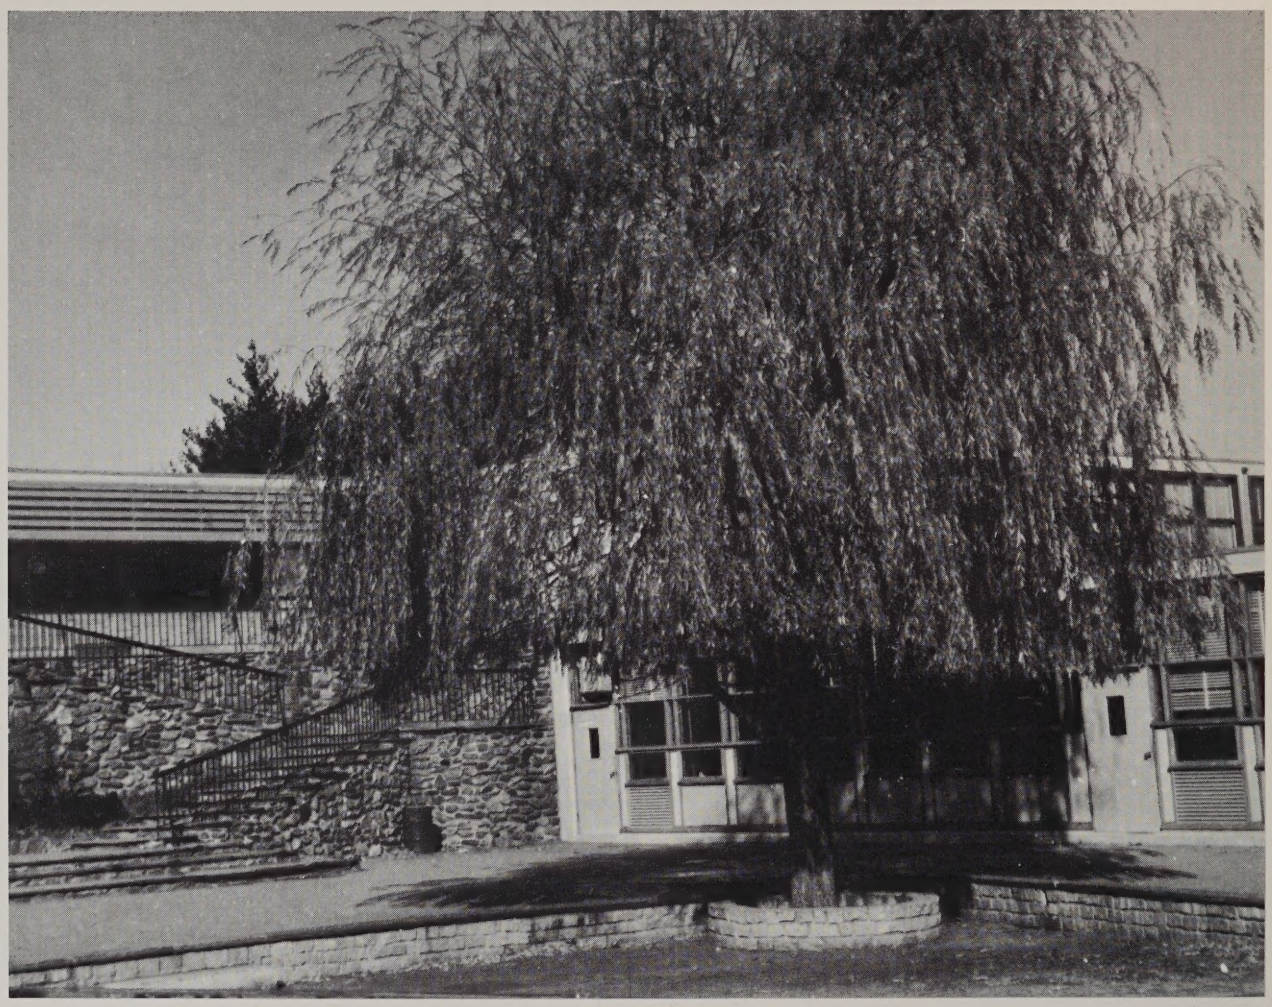
1966 TANTASQUAN

TANTASQUA REGIONAL HIGH SCHOOL
STURBRIDGE, MASSACHUSETTS



FOREWORD

Tantasqua can well be proud of its accomplishments throughout the past years. Their athletic and general activities have made the name Tantasqua known and respected throughout the state.

Students have made most of the accomplishments for THS.

Today, the thought of a teenager disturbs the older generation. However, we are tomorrow's adults and are certainly capable of handling the demands placed upon us by unfavorable conditions overseas and here at home.

Today's teenager is not the "best" that society claims him to be. He is, in most cases, understanding and willing to give a little of himself in order to better the world in which he lives.

Watch what you do with that camera, bud!

Look, Ma! No hands!

The next nine pages are filled with candids depicting school life, social life and anything else that goes on in school. You're bound to find yourself in here somewhere, so start looking!

So help me, it was that long.

What a pity . . . she just fell over the chair and broke her leg.

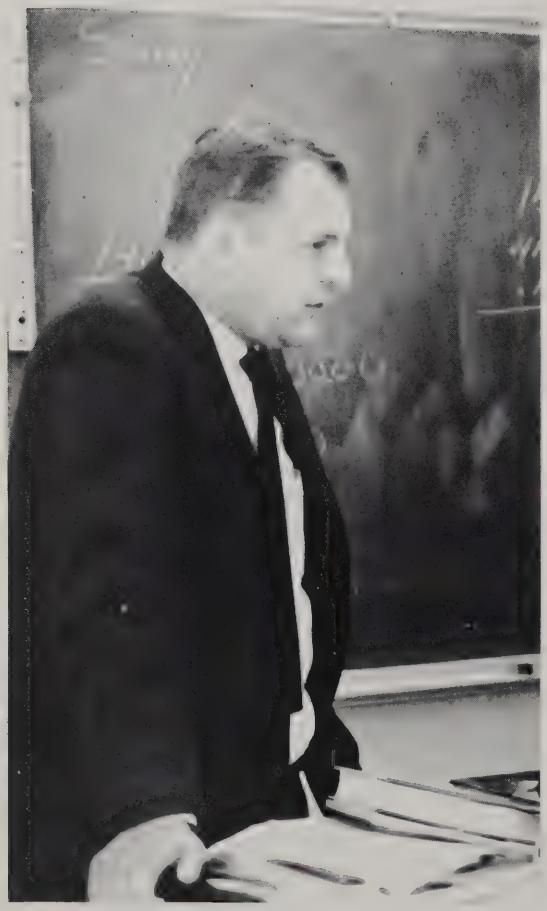
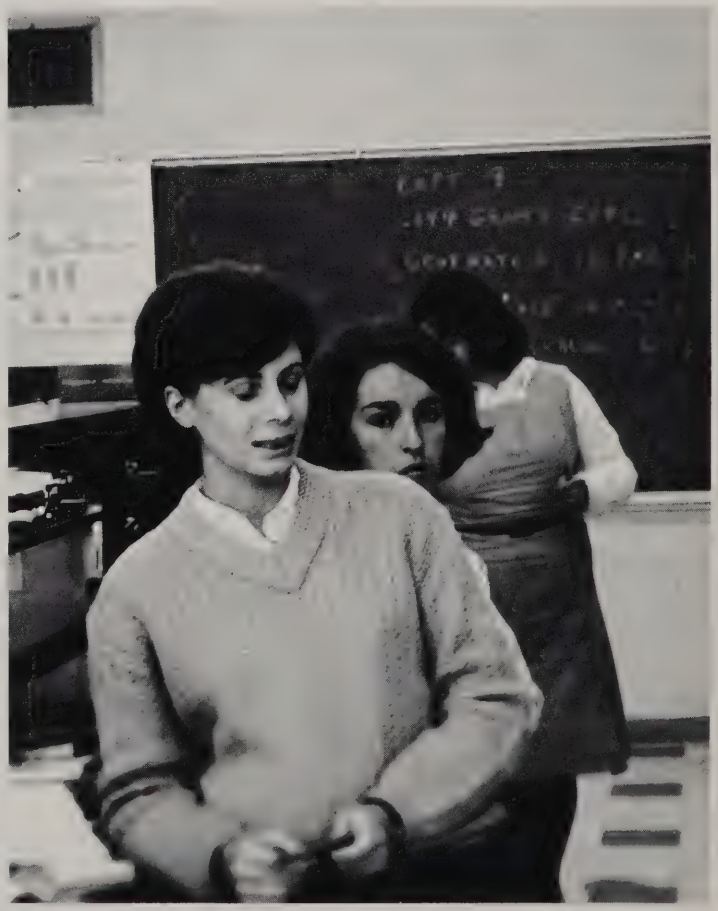
The chaperones enjoy themselves, too.

See, Tony. That's the problem. That blob looks just like somebody we know.



That's great, Bob, but 15% of 410 *isn't* 2,367.



Oh! Irene, it's just too awful. He hit her, kicked her . . . and then he . . .

That's nice, Pete, but I don't think it looks like a giraffe.

What says we lift weights after school?

I wonder what that lynch mob is doing in the forum?

Funniest thing — this little squiggle looks just like the stuff you find in the cafeteria food.

You say there's a WHAT crawling up my back?

I'm glad I didn't accept the date with him, anyway. He probably beats up his mother.

Say, Ellen. Would you mind putting your coat across this puddle for me?

But what I don't get Mr. Hufeault, is when the doo-hickey lifts the whoosey whatsy and the . . .

Haw! Haw! His mother sent him to school in a Granny dress.

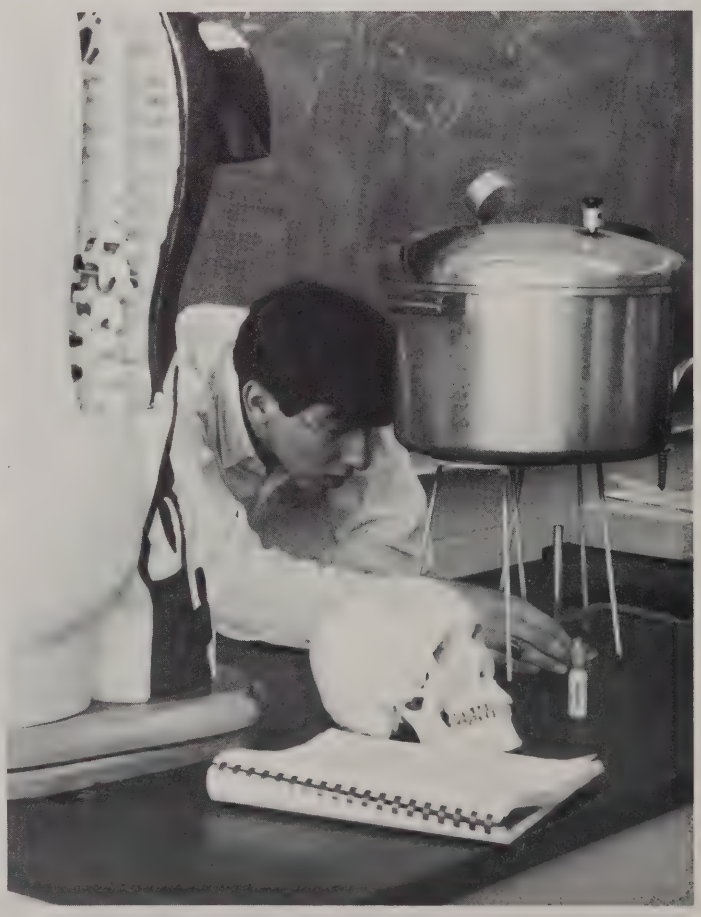
Hey, Gail. What's that great big thing on the hill?

That sounds like a good excuse, Ricky, but Mr. Weiss'll *never* believe it.

It says MILK on the carton, but don't let that fool ya'. (HIC!)

Uhhh, really, Es. I didn't think you'd take it so hard.

Gibb . . . er . . . rillen. I wonder if that's like root beer.



I really hated to do it to him . . . he was so young, too.

This is the latest method of transportation.

Ya' better look out, fella!

My group *only* had 100% cavities.

It's not that I'm bored, but . . .

FACULTY

GRADUATES

UNDERCLASSMEN

ROBERT A. WATSON
SUPERINTENDENT

GRADUATION marks an end and a beginning. It terminates your formal public education and casts you in the role of adult. Some of you will begin your life's work immediately while others will postpone this condition until after further schooling. Your ultimate occupation will be less important than your attitude toward your work. For we need excellence in all walks of life. Indeed, the survival of a free society depends upon the quality of all its citizens.

Secretary Gradner wrote, "In a free society, every man lives for himself but also lives for his society."

Therefore, take pride in doing a good job. Your rewards will be personal contentment, self-respect, dignity and satisfaction in contributing to the common good.

ROLAND W. WILSON
PRINCIPAL

THE world today surrounds us with conflicting pressures, loyalties and values. We can expect the world of tomorrow to be equally confusing unless education helps individuals acquire increased understanding of the world in which we live.

Within the next two decades, young people will probably experience a world marked by ideological competition, increased leisure caused by automation, world-wide communication networks and power struggles among new and old nations. The student of tomorrow will be better informed about world events but will probably have to wait longer to take his place in society.

Therefore, educational preparation must be the best possible and must constantly change to meet the needs of tomorrow.

JOHN R. RUSSO
VOCATIONAL DIRECTOR

The Vocational School opened September 8, 1965 for its second year of operation. The aim of the school is to prepare students for profitable employment.

The Vocational School offers the following trades: Machine Shop, Metal Fabrication and Welding; Carpentry and Millwork; and Machine Drafting. The curriculum includes Shop, Related Math, Science, Blueprint Reading and Drawing, for the particular trade, also academic subjects. Each course extends over four years.

The student, when he graduates, will receive a high school diploma and a vocational certificate in his trade.

To be admitted to our Vocational School, an applicant must be fourteen years of age and/or completed the eighth grade. He should have the definite desire to pursue his trade, and have the ability to profit by the instruction offered.

Presently our teaching staff consists of seven full time Vocational teachers. With the addition of some equipment and teachers, we will be able, in the next few years, to instruct approximately 160 students.

When our students graduate, they will start their working careers as tradesmen, and be on their way to becoming good citizens.

DAS der

Das der Kinder, which means Childrens' Village, was presented January Fifteenth, Nineteen Hundred and Sixty-Six in the cafeteria of our high school.

The hard work of the Seniors transformed the cafeteria into a world of blocks, playpens and stuffed animals. Das der Kinder was said to have been the best prom Tantasqua has ever had.

CLASS OF 1967

The third year of our high school career is upon us. We look now not to the past but to the bright prospects of a senior year and of an unknown but hopeful future. For a moment, the past is reflected in the spirit of accomplishments, successful class dances, suspense-filled color nights and reaches its climax in remembrance of all three years in the presentation of class rings.

In the present, the satisfaction of another class dance, and a prosperous junior prom hold us in the full tide of our junior year.

Now to the future: in our terminating year we prepare for varied occupations so that we may take responsible positions in the world.

During our final fling at T. H. S., studies come first, but the joy of being an upperclassman will possess all of us. A Senior Prom will highlight our last year and graduation will add color to our last day of a great high school career.

CLASS OF 1968

The most important undertaking of the Class of '68 was our Class dance, held in March. With the careful planning of the officers and members of the dance committee, the Sophomore Class Dance was very successful. The entire class has that night to look back upon with pride.

The Class of '68 has its entire Sophomore year of 1965-1966 to look back upon; to profit from its success and learn from its mistakes. The year has been a great experience for all members. It has enriched their minds, hearts, and bodies; and has given them a year of happiness and experience that will profit them always.

CLASS of 1969

We the Class of 1969 began our year by meeting new teachers and many new students. Our first responsibility as a class, was to elect reliable people to the various class positions. This, as it has been shown, was done successfully.

Our next step was to start collecting class dues. We all thought it would be too much for our treasurer to collect at once, so we each took one homeroom to the Vice-President's two. The problem of collecting dues was solved. We had our first class meeting on December 15. We discussed the traditional Color Night and Class Dance. The dance itself was a great success.

As the year goes by, we can look back on a successful year.

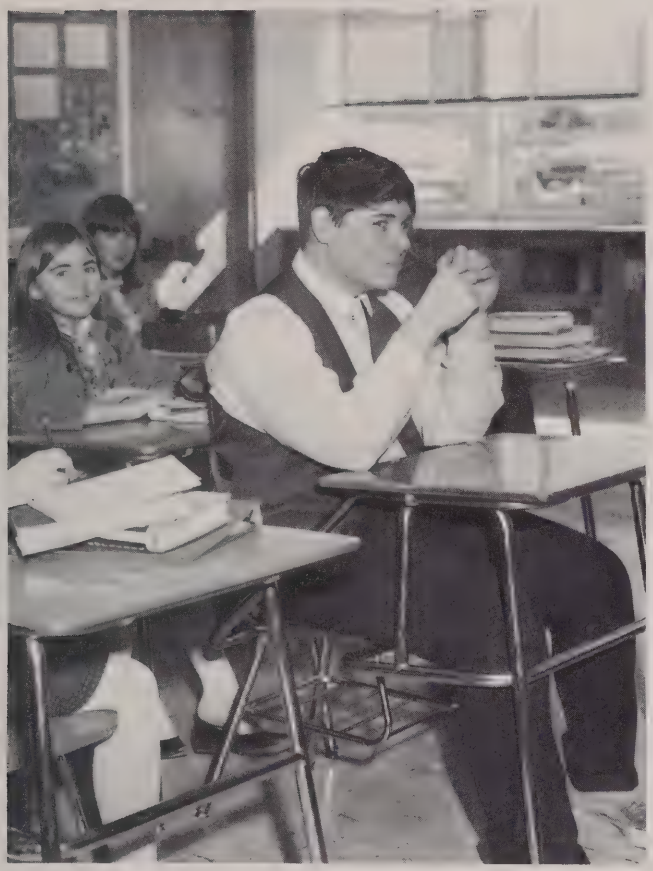
STUDENT COUNCIL

The Student Council performs many services to the general student body. When other organizations in the school need uniforms or equipment, the Student Council loans them the money.

The Council makes money by sponsoring the sock hops after the basketball games and selling food during football games. They also run buses to away football games and sponsor the annual Color Night. The winner of Color Night receives twenty-five dollars to add to their class treasury.



Little does he know I put a bomb under his desk.

The Future Nurses Club has been quite busy the past two years. Last year they had a food sale and car wash which netted nearly one hundred dollars for their scholarship fund.

This year the club has started "Operation Crash Helmet". This project is for the young children at Monson State Hospital. It is a long term as well as worthwhile project. Mrs. Corwin, a member of the faculty, has been devoting her time in helping the club with their "Helmet" project. The club does other things, too. They visit area hospitals to help them decide if nursing is what they really want in life. They have also had many speakers from area hospitals and the Armed Forces.

The National Foundation of the March of Dimes sponsored a birth defects seminar at Sargeant College last year. Six members of the club attended the seminar. It proved to be interesting as well as educational for the girls.

Every May the club presents a play about health to the student body.

The Future Nurses Club has proven to be one of the most successful clubs at T.H.S. The girls extend their gratitude to Mrs. Gray for her understanding and guidance.

CHEERLEADERS

Helen Duquette, Advisor, Esther Morrissey, Captain.

Esther Morrissey and her cheering squad of nine girls have brought Tantasqua's teams to many victories with their devotion and hard work.

The Varsity Squad is backed up this year by the Junior Varsity Squad which is starting its first year.

The cheerleaders sincerely appreciate Mrs. Duquette's devoted and valuable time in assisting them.

MAJORETTES

Colleen Porter, Co-captain; Dianne Lindley, Co-captain; Evelyn Chase, Advisor.

The majorettes of Tantasqua began in 1963 with only five girls. Three years later this organization has grown to twelve girls.

These girls perform during the half time at home football and basketball games. They also represent Tantasqua every year at the Eastern States Exposition and Memorial Day parade. Their conscientious, hard work has given Tantasqua every reason to be proud of these girls.

The majorettes are sincerely grateful to Mrs. Chase for her time and effort.

Routines are made up by Linda Regis and Linda Simpson, the Team's co-captains.

The Drill Team is in its second year with twenty active members. The first year that Tantasqua had a drill team, the girls had uniforms of dark skirts, white blouses and Letterman sweaters. This year they have their own uniforms which are shown in the picture. These uniforms were made by Mrs. Louise Willett on a loan from the Student Council. The girls repaid the Student Council and bought sweaters by selling candy. The girls are indebted to Mrs. Chase for her valuable time and help.

Laura Herman, Treasurer

Mrs. Helen Duquette, Advisor

The Advanced Gym Group of Tantasqua Regional High consists of eleven girls who are interested and display exceptional ability in the field of gymnastics. These girls work out weekly and prepare themselves for competition against the University of Massachusetts, Springfield College and area schools. The girls use several pieces of apparatus. Among these are the Balance Beam, the Horse, Trampoline and Uneven parallel bars. Tumbling and Floor exercise play an important part in their work. In 1965, Laura Herman won top honors in the state competition in Floor Exercise.

BOYS' ADVANCED GYM

The Boys' Advanced Gym Club is for boys who are interested and show great athletic ability.

The boys work out on the High Bar, Trampoline, Horse, Parallel Bars and other equipment. They also go into competition against are schools and colleges such as the University of Massachusetts.

The Club's advisor is Mr. Pauli.

TANTASQUA 12 PALMER 6

Palmer came into the game undefeated and they were surely a fine ball club with good balance. The first half was all Palmer for we could not get out of the shadow of our goal posts. Palmer intercepted our first three passes, blocked one punt and partially another. This one led to their six points. The second half proved to be a Tantasqua defensive as well as an offensive victory, when a recovered fumble on a punt gave us six points and an intercepted pass set up the winning T.D. Carl Paolucci threw ball carriers for continuous losses and Dave Kaitbenski played another fine game. Fitting for our two co-captains to lead us to our last victory.

TANTASQUA 32 SEARLES 6

With Scott Gardner leading the offense and defensive and showing his leadership ability, we defeated the vastly improved Searles team. Kim Shumate did some fine ball carrying.

TANTASQUA 28 AUBURN 6

Skip Freddette's passing and the running of Al Dhembe and Kim Shumate led us to a win over Auburn. Our defense led Ted Wells, Dave Kaitbenski and Carl Paolucci was tremendous.

TANTASQUA 10 MINNECHAUG 6

The Tantasqua defense proved to be too strong again as we beat Minnechaug, allowing them to score only late in the game. Jim Woodward, a freshman, played a fine game.

TANTASQUA 8 COMMERCE 0

Once again Tantasqua's defense, led by Scott Gardner, was outstanding. Andy McAuliff, Ted Wells, Carl Paolucci, Norm Robbins and Skip Fredette all played a fine game.

TANTASQUA 10 HOLLISTON 0

The stubborn Holliston team put up a battle for a while but the Warriors proved to be too strong. The defense led by Scott Gardner, Dave Kaitbenski and Ted Wells was outstanding.

WESTBORO 18 TANTASQUA 0

A very hard hitting Westboro team came back in the second quarter to score and give them the lead at the half. In the second half they drove to the one foot line only to fumble. This gave Westboro the incentive they needed to win.

ATHOL 18 TANTASQUA 14

The biggest game in Central Mass. was between two unbeaten teams here at the reservation. Tantasqua had a fantastic offense with Al Dhembe getting 168 yds. of the 400 yds. gotten by the team. Athol 450 yds. for the total offense. Although we lost, Athol knew they were in a game and they will always respect the Warriors.

BASKETBALL

THE 1965-1966 basketball team registered a won-lost balance of 9-11. In the Western Worcester County League, we placed fifth with a six and eight record. Senior Co-captains John Weaver and Skip Fredette were by factors in scoring and directing the offense. Don Teagno played a key role as a rebounder.

Juniors Rich Tefft, Peter Bourdeau and Ted Wells were re-elected to the Tri-Area All-Star Team. Tefft had a field goal shooting percentage that was outstanding as he hit 120 of 262 shots for 46 percent.

High scorers were Rich Tefft and John Weaver with 274 and 234 points, respectively. Ted Wells was the teams' leading rebounder.

The Warriors extended their winning streak to 35 straight victories with a perfect 12-0 record. The team enjoyed its third undefeated season.

The team won the division title of the Western Mass. Cross-Country Leagues took first place at the Wachusett Invitational Meet, placed second of 17 teams in the League Meet, and was sixth of 32 in Class D in the State Meet.

Led by Bob Sandole, who captured the annual Knights of Columbus run, and co-captains Ed Grudzien and Tom Martin, the team improved as the season progressed. Glenn Terry, Jerry Chase, Rich Tefft, Dave Haney, Dave Koslowski, Giff Landon, Bob Ruggles and Dennis Soloman also contributed to the success of the team.

Losing only three of the top ten runners, the Warriors are looking forward to another good season next year.

Co-captain Tom Martin shows the strain of a hard run.

Hey, fella! Your pants are falling off!!

Co-captain Ed Grudzien shows the stamina of a fine athlete.

Paul Kelly makes the grade, too.

Mr. Crockett advises the boys on a discus throw.

BASEBALL

1965 was another championship season for our Baseball Warriors. This was our sixth league title since 1956. We finished our season with thirteen victories against three defeats.

Season Highlights: Our overnight trip to the Baseball Hall of Fame and the thrill of being able to work out on the famous Doubleday Field; our all southpaw pitching staff of Desmond, Bowden, Mocko and Gardner; the consistent hitting of Adams, Donovan and Lippe; the fine defensive play of Walulak, Julian and Martin; the one hundred percent effort by Hyde, Miller and Stone; the big three run pinch hit triple by "Scott" Gardner in the Championship game against Oxford; the selection of Lee Adams to receive the first Stuart Memorial Award; the turning over of the team captaincy of Lee Admas "65" to Tim Desmond "66"; the honor of having Lee Adams, Terry Donovan, Tim Desmond and Ron Lippe selected to the Western Worcester County All Star Team.

The Warriors know that "66" will bring even more wins than "65."

Publishing a YEARBOOK

Is As Simple As

A Y C

To the casual reader a yearbook is often simply an "album" of pictures with written text. Merely ink on paper . . . though nice to own and enjoy.

But to the staff and adviser the yearbook means much more. For yearbook work comprises a multitude of details: Layout, Art, Photography, Copy, Typography, Covers and Binding, (not to mention the small detail of money-raising). Highly technical and often time-consuming and a source of anxiety to a staff unless the publisher's representative is trained to give needed help and suggestions.

At American your publisher's representative is a member of the school's yearbook team. He is skilled in the many facets of yearbook work, having at his fingertips the answers to yearbook problems as well as a multitude of ideas. He is always there when you need him.

This is why we say "Publishing a Yearbook is as simple as AYC."

FAREWELL

I would like to express my sincere gratitude to the people who gave so much of their time to help me.

Mr. Eliot Rich, my advisor, was invaluable for his time and understanding. Mr. Mark Crockett, Mr. Barker Keith, Mr. Richard Bourdeau and Mr. Frank James contributed much of their time in preparing photos and giving me a few suggestions for the book.

There were also students who never gave up on me no matter how "raunchy" my moods got. Elaine Gauthier, Linda Regis, Carolyn Hoffman, and my officers, Judy Ciprari, Kathy Hyde, Betsy Keeney and Carolyn Bennett proved to be invaluable with their time and services.

It is my greatest wish that the students and faculty of THS enjoy the yearbook and find many happy memories.
